

A nighttime photograph of a school building, identified as North Fork Montessori. The building is a long, single-story structure with large windows, some of which are illuminated from within. It is situated on a slight rise, with several tall evergreen trees in the foreground on the left. The background shows a dark, forested hillside under a cloudy night sky. Several streetlights are visible, casting a warm glow on the scene. In the distance, a few vehicles are parked in a lot.
